BOP KOALA BOP KOA

The Koala Bop SEN Camp will be held at Jockey Club Sarah Roe School, 2B Tin Kwong Road, Ho Man Tin.

Each day Boppers will need to register, have their temps checked and hands washed, they will then be separated into their group.

Each day the Boppers groups will rotate through 3 super fun activities. We will have 3 structured sessions separated with a quick brain break in between each session

The **Movement & Dance Class** session is a super fun whole body experience where students will get to move their bodies in fun and interesting ways, building strength, improving coordination and physical ability. Each class will have kids stretching, learning and practicing dance skill & techniques, prop dancing and each week students will master a super fun choreography.

Arts & Crafts sessions are designed for focus and creativity. Each craft will be a unique opportunity for our Boppers to infuse their personalities into something physical and express themselves.

The **Sensory Exploration** sessions are an awesome adventure full of different sensations. This is time for kids to immerse themselves in an activity that encourages them to be present in the moment and explore what the like and dislike and how things make them feel. Think good old sticky, slimy, squishy, chilly fun!

Our **Yoga & Games** sessions will encourage students to become aware of the way their bodies and minds connect and how it feels to be still.
