

Covid - 19

Special Arrangement Updates

At Move For Life we take the health and safety of our students, staff and their families very seriously. Operating in a Covid-19 world can be tough however we appreciate the cooperation of our entire community to ensure a safe environment for everyone.

What are we doing to protect you and your children?

STAFF:

- ALL staff take their temperatures at home before leaving the house to engage in any work with Move For Life
- No staff member will enter a Move For Life class or camp if presenting with any cold/flu symptoms.
- ALL staff will wear a mask at all times during classes and camps

MATERIALS/VENUE

- ALL Dance props will be changed in between each group
- ALL Dance props will be washed/sanitised daily
- ALL Toys/craft supplies will be sanitised between groups and washed with disinfectant daily
- The venue will be thoroughly cleaned and sanitised daily

CLASS STRUCTURE:

- Students will be Temp checked and have hands sanitised before they can enter the school and again when they enter the classroom.
- All students will be separated into small groups and each small group must maintain a minimum of 1.5m distance from other groups.

What do we need you to do?

Due to the current social distancing restrictions all participants in all Move For Life run classes and camps **MUST** follow the guidelines as set out below:

- **Dance Monkeys** Parents/Guardians **must not** wait in the studio during the class. Please drop your children off and return to collect them at the end of class.
- **Little Movers** Parents/Guardians **must not** wait in the studio during class. If your child does not absolutely **NEED** to be accompanied (some exceptions include children that have just turned 2 or with extreme anxiety) we ask that you drop your children off and collect them at the end of class. If you do need to stay with your child certain venues will not be able to accommodate you so please contact us directly if you need to stay with your child and we will let you know if it is possible.
- All students/guardians must wear a mask at all times while in any studio.
- Students must all be temp. checked and have hands washed before entering the classroom
- Respect the physical distance boundaries, maintain a distance of 1.5m between groups

GOVERNMENT MANDATED CLOSURE - PROCEDURE:

- In the case of sudden cancellation due to another wave - all class packages will be suspended. We do not issue refunds for classes interrupted by Covid related closures.
- Once we can re-enter classrooms and studios you will be notified and your class packages will continue as they were prior to closure.
- Class days and times will remain the same when we re-start classes. We cannot guarantee a space if you elect to change your day and/or time.
- Class credits cannot be saved/banked or delayed and will expire once the remaining "term" has come to an end.
